Touch Pure Tree

Part No: 100396 (White)
**Part No: 100398 (Anthracite)**
About the product

The Loxone Touch Pure has five touch zones, which can be configured according to your needs. The large central touch zone is ideal for controlling lighting, whilst the corner zones are handy for controlling music and blinds, for example.

Features
- 5 touch buttons
- Temperature & Humidity sensor
- Optional click feedback
- Orientation LED light

Installation

Install the mounting frame on the desired installation place. Power up the device and pair it with your Miniserver in Loxone Config. To finish the installation attach the Loxone Touch on the mounting frame.
